

Instructor Course Faculty:

Please review and summarize comments made by the other Instructor Potentials and the Instructor Faculty regarding the Instructor Potential's (IP's) performance in the Group Discussion, Psychomotor Skill Station Teaching, and Psychomotor Skill Station Evaluation Exercises.

Give this to the new Instructor Candidate (IC) on completion of the Instructor Course. The IC will present this report to the assigned Monitor at the beginning of the Provider Course when ready for monitoring. **If this form is not given to the monitor, the IC will not be verified.** The information on the form is meant to assist the Monitor responsible for evaluating the IC by identifying areas of strength and weakness.
